HAPPY BIRTH ANNIVERSARIES DEAR PRESIDENTS !

WonderRo

Professor Dalvo Jr.

Birthdays of the President Emeritus Ronald De Alwis and the President, SLMC, Rohan Jayasekara fall in the month of October; Ronald's on 22nd and Rohan's on 29th. This year they celebrate important milestones of their lives. Born in 1935 and 1955 Ronald and Rohan are 80 & 60 respectively; altogether 140. The 'Magic' in it is that both of them look 20 years younger than their chronological ages.

Let me dedicate this month's column for these two greats amidst us.

In 1964, I was a Grade 5 student of a remote school at Hiriyala, about 50Km off Kurunegala. One day our teachers took us, to an Educational Exhibition at Maliyadeva Girls' College, Kurunegala; where I had my first exposure to a stage magician. It was the day I was bitten by the 'Magic Bug'. 15 years later I joined the SLMC and had the opportunity to serve in the council, where I came to know the magician who performed at that particular exhibition was Ronald De Alwis, who was then a school Principal at Kurunegala.

Lt. Col. Ronald De Alwis was the Commanding Officer of the 2nd Regiment - Sri Lanka Army Services Corps, at the time I had close association with him. Sometimes the SLMC members used to visit his mess after the council meetings to continue the agenda with spiritual acts. Ronald was an excellent host.

Demonstrating the "Dalvonian Theory of Evolution" Dad & Son in 1940s and 1950s

Today, President Emeritus Ronald de Alwis is the most senior member of the Sri Lanka Magic Circle (SLMC). Having joined the Association of Ceylon Magicians (ACM) in 1952, before renaming it as the SLMC, he is the only surviving member of the ACM. Two years ago Ronald broke the record held by Mudaliyar ACGS Amarasekara as the longest standing member.

<< Receiving the President Emeritus Plaque -2015

Unlike many of us Ronald got infected with "Magic" vertically. Both his Dad and Mom were performing magicians. Dad Linden De Alwis (Professor Dalvo) was a founder member of the ACM and Mom Beatrice (nee Senanayake) used to perform at social gatherings in 1930s. At the age of 5 Ronald started assisting his father on stage. In 1947 at the age of 12 he had his first solo performance on the Prize Day of his Alma Mater; St. Mary's College, Chilaw. Graduated from the University of

Paeradeniya he took up teaching as the career. Later he joined the Department of Inland Revenue and then moved to the Private Sector where he served as the General Manager of several reputed firms. He had been an officer of the Sri Lanka Army Volunteer Service since 1965.

The idea of having our own Head Quarters came way back in 1959 with a resolution moved by Mr.CDA Gunawardane. There after it had been continuously in the agendas and minutes of the SLMC for over 4 decades until Ronald became the President. Soon he put his full weight on the project and was able to convince the authorities to donate a plot of land to Sri Lanka Magic Circle. Then he commenced the building project and obtained the necessary assistance from membership and external benefactors.

Ronald De Alwis took over the Presidency in 2001, as the third President of the SLMC following two life presidents, Gate Mudaliyar ACGS Amarasekara & Mr. Ranapala Bodinagoda. He had the precedence and all the justification to continue as the President for life time. Yet, Ronald was a liberal thinker and had a big heart; he stepped down after few years of reign, paving the way for others to lead the Circle. After being in a back seat for few years he took over the presidency again. This time to complete the ground floor of the H.Q. building and he put it into use in 2008. Half a century old dream became a reality after a long wait. Ceremonial opening of the ground floor coincided with the 90th Anniversary of the SLMC. It is true that many others were there with him in this accomplishment. But our Head Quarters, at 156, Templers Road; “Vishmithapaya” is a lasting testimonial to the indefatigable dedication and brilliant leadership of Ronald.

Ronald has countless wins and achievements in the fields of Magic. At the age of 17, he was the runner up in the junior category of the first ever Magic contest in Ceylon. Runner up in the inaugural contest of “Magician of the Year” in 1961 and won the Gate Mudaliyar ACGS Amarasekara Challenge Shield next year as the “Magician of the Year – 1962”. He was the winner of the first “SLMC Open Contest” in 1968 and bagged the cup for “Comedy Magic” as well. Later, Ronald introduced two new events to the SLMC calendar to promote novices; “Amateur Magician of the Year” and “Young Magician of the Year” contests .The Ministry of Cultural Affairs decorated him with the title “Kalabooshana” in 2004. Last year Ronald was honored by the “Magicians’ Academy of India”, recognizing his magical services in South Asia; and even last month he was honored by Sri Jayawaddana pura – Kotte Divisional Secretariat as a veteran artist of the community. (Given above are just a fraction of feathers on his cap)

After taking the SLMC to a strong footing, he bowed out from the presidency once again in 2014. Early this year, the SLMC took a unique decision to confer him, the most prestigious title; “**President Emeritus**” (**Honorary Life President**) of the Sri Lanka Magic Circle, a fitting tribute to a genius.

Ronald, May you live long...!

Current President Rohan Jayasekara (WonderRo) celebrates his diamond birth anniversary on 29th October, in Bangkok as a guest artist of the “Bangkok Magic Extravaganza – 2015”. Rohan was groomed by Ronald as his successor and elected as the 4th President of the SLMC in 2004. In contrast Rohan has no family background in Magic; comparatively, he has a short history in Magic. Rohan became a magician ‘by accident’.....! I mean it literally

Let us talk about the President Rohan in the next issue

THE MAGIC CLASSROOM
LEARNING TOGETHER TO MAKE MAGIC HAPPEN

G.C.P.Amarasekara (“Carlo the Great”) වර්ල්ඩ් අමරසේකර (“මහ කාලේ”)

Born in the wee years of 20th century, Ganegodage Charles Perera Amarasekara (GCP) was one of those few Ceylonese youth who took into magic in the second decade of the last century. He was a self made magician who joined Harold Holden and ACGS Amarasekara to inaugurate Association of Ceylon Magicians (ACM) in 1922. GCP was there when the ACM was revitalized in 1950s after the WW II, but soon fell out with ACGS and lead the first ever breakaway group of ACM and form the “Ceylon Magic Circle” (CMC) on 16th November 1952.

Head Quarters of CMC was his residence at No.192/3, Thimbirigasyaya Road, Colombo 5. (Other members included Messers H.Koch, E.F.Cnagaratne, R.N.Senaratne, J.C.Jayamaha, A.Rodrigo, G.J.R.Samarasinghe, S.A.Mariampillai, D.M.Chandrasena and Mrs.F.Watts). *Probably this move might have been the real reason that ACM had to go for the name ‘Sri Lanka Magic Circle’ when re-naming it in 1953; though we claim that SLMC had the foresight at a time that nobody thought “Ceylon” would become “Sri Lanka” within two decades. It was not clear how long the CMC functioned, but I heard that CMC published a colourful Magic Bulletin as well.*

Charles was an Administrative Officer of the Public Work Department. In the field of Magic he was among the few top class performers of his day. He presented himself as “Carlo the Great” and won the Trophy for ‘Apparatus Magic’ at the first ever Magic contest of Ceylon in 1952 at the SSC carnival. GCP offered a 2 hour show containing all branches of magical entertainment; Conjuring, Hand Cuff Escape, Chrystal Gazing, Ventriloquism, Hand Shadowgraphy, Lighting Sketches etc. GCP lived till his last as a Magician and passed away on 30th August 1961.

Having two ‘Magic Circles’ lead by two ‘Amarasekaras’ in the city, was not without confusions among the general public. Former Executive Vice President Dr.P.D.P.Gunatillke (Dr.Mesmer) once recalled an uneasy situation he faced “I say, when I got interested in Magic, I went in search of ‘Mudaliyar Amarasekara’ and ended up with some other ‘Amarasekara’; and It was embarrassing to leave him when I realized my mistake.” Also one has to expect undercurrent rivalry between two groups vying for the supremacy in a single field. The following excerpt from ‘The Wand’ May 1957, appeared under the heading ‘Pure Chicanery’, was probably an allusion though not directly pointed at GCP. “It is distressing to find that a person describing himself as the son or brother of our President Gate Mudaliyar Amarasekara We hasten to add that our president is the only son of his parents (he has neither brother nor sister) and that he himself has only one son, Douglas Amarasekara”

GCP Amarasekara was a paternal uncle of the Life Member and former VP, Terry Amarasekara, and I wish to thank Terry for providing me with some important information and pictures of GCP.

AN UNFORGTTABLE INCIDENT

The following memorable incident was sent by the President Rohan Jayasekara

“It was high season for magicians. Christmas shows, in December. I had four bookings in hand, in and around Colombo. Time gap between each show was half an hour to forty five minutes.

I was crossing over from my first show in Boralla to Deans Road in Maradana for the Nesle Christmas party. Reaching at the venue, through heavy traffic, I was left with fifteen minutes to set up and start the show. The dead line to take vehicles into the premises was over, and I was asked to park the vehicle outside. I had to put on my thinking cap and act fast. By this time, I could hear the magic show being announced to begin in five minutes. I quickly pulled out a few items that I could carry with me including the ‘Die Box’, hoped on stage with a chair as my table and a ‘Santa’ cut out which I found in the background of the stage to be kept in front of the chair, I was on with the show.

Meanwhile, my assistants set up the rest of the ‘stuff’ for me to carry on with the show, without any flaws.

Phew! Saved by the bell!”

ගුරුත්වාකර්ෂණයට එරෙහිව

මෙවර අපි ගුරුත්වාකර්ෂණයට එරෙහිව මුද්දක් ඉහළට ගමන් කරවීමට උත්සාහ කරමු.

අවශ්‍ය ද්‍රව්‍ය . ඇඟිල්ලේ දමන සිහින් මුද්දක් සහ අහල් රික් 8ක් පමණ දිග, ඇඳෙන සුළු රබර් පටියකි. (රබර් බැන්ඩ් එකක් එක් තැනකින් කැපීමෙන් ලබාගත හැක.)

පළමුව රබර් පටිය තුළින් මුද්ද දමා දැනින් රබර් පටිය අල්ලා ඇද පෙන්වන්න. දෙවනුව රබර් පටිය සිරස්ව ඇද අල්ලාගෙන මුද්ද ඒ තුළින් ඉහළ සිට පහළට වැටෙන්නට සලස්වන්න. ගුරුත්වාකර්ෂණයට එරෙහිව මුද්ද ඉහළට ගමන් කරන්නේ ඉන් අනතුරුවය.

දකුණු අත පහළින් සහ වමත ඉහළින් සිටින ලෙස ආනතියකට රබර් පටිය ඇද අල්ලාගෙන මුද්ද දකුණු අතේ ඇඟිලි වලට ආසන්නව රඳවාගන්න. දැන් ප්‍රෙක්ෂකයන්ට නිස්ශබ්දව මුද්ද වෙත අවධානය යොමු කරන ලෙස දන්වා ඔබේ මායා මන්ත්‍රය කියන්න. මුද්ද, රබර් පටිය ඔස්සේ සෙමෙන් සෙමෙන් ඉහළට ගමන් කරනු ඇත. ඔබගේ විධානයට අනුව මුද්ද නතරවනු ඇත. යළිත් ඉහළට ගමන් කරනු ඇත.

රහස.

මෙහි රහස රඳා පවතින්නේ පහළින් රබර් පටිය අල්ලාගෙන ඇති දකුණු අතෙහිය. දකුණු මහපට ඇඟිල්ල සහ දබරැහිල්ලෙන් පහළ කෙළවර අල්ලා ගැනීමේදී අහල් කිහිපයක් නිදහසේ තිබෙන ලෙසට රබර් පටිය මැදින් අල්ලා ගන්න. (මෙය ප්‍රෙක්ෂකයන්ට නොපෙනෙන ලෙසට -දෙවන රූපය බලන්න- අනෙක් ඇඟිලි වලින් වැසී තිබිය යුතුය.) මායා බලය ක්‍රියාත්මක කිරීම සඳහා දකුණු මහපට ඇඟිල්ල සහ දබරැහිල්ල සෙමෙන් බුරුල් කරන්න. එවිට මුද්ද සෙමෙන් සෙමෙන් ඉහළට ගමන් කරනු පෙනේ. අත් දෙක රඳවාගෙන ඇති දුර පරතරය වෙනස් නොවන ලෙසට තබාගැනීමටද කල්පනාකාරී වන්න.

කුඩා දරුවන්ගේ සැහැල්ලු වලල්ලක් යොදාගෙනද මෙම අංගය ඉදිරිපත් කළ හැක.

It is interesting to note that some members really appreciate 'The Wand'. Some of the members whom I have never met before called me and thanked. Some wanted to clarify certain points in the 'Trick of the Month'. Once again I want to emphasize that 'The Wand' is a collective effort.

I request the members, seniors as well as juniors to send your contributions to maintain 'The Wand' at this level. Please send us 'Unforgettable incidents' you faced as a magician, tricks for the 'Trick of the Month' column, 'Anecdotes' etc.

වෞන්ඩ් සභරාව පිළිබඳව ලැබෙන ඔබේ ප්‍රතිචාර අගය කරමු.

යළි සිහි කරමු. මෙය තනි පුද්ගලයෙකුගේ නොව, කිහිප දෙනෙකුගේ ශ්‍රමයේ ප්‍රතිඵලයකි. දැන් අපට ඔබගේ සහයෝගය අවැසි මොහොතයි. ජ්‍යෙෂ්ඨ සහ නවක සාමාජිකයින්, -මැජික් ශිල්පියකුගේ අමතක නොවන අත්දැකීම්- සහ -මාසයේ මැජික් අංගය- යන විශේෂාංග සඳහා ඔබේ කතා ලියා එවන්න. ඊට අමතරව මැජික් ශිල්පය පිළිබඳව ඔබට ඇති ගැටළු දන්වා එවන්න. එකතුව, අප මේ ගමන යමු.

Most 'First Class' students get technical seats, some become Doctors and some Engineers.

The 'Second Class' pass, and then pass MBA, become Administrators and control the 'First Class'.

The 'Third Class' pass, enter politics and become Ministers and control both.

Last, but not the least, The 'Failures' join the underworld and control all the above.
